ADETONA MUBARAK RAMADAN

Front-End Developer & Social Media Manager

adetonamubarak12@gmail.com | 09033220145 | Nigeria (Open to Remote & Hybrid)

PROFESSIONAL SUMMARY

Creative, results-driven Social Media Manager with 3+ years of experience building online communities, growing engagement, and telling brand stories, now expanding into Front-End Web Development. Completed a 12-month ALX Software Engineering Programme with a specialization in Front-End Development, combining a strong foundation in HTML, CSS, JavaScript, and version control (Git/GitHub) with hands-on marketing, content, and analytics experience. Comfortable working independently and collaboratively across remote and hybrid teams, translating brand and user goals into content and interfaces that perform.

CORE SKILLS

Front-End Development

- HTML5 & CSS3 (responsive, mobile-first design)
- JavaScript fundamentals
- Git & GitHub version control
- Python & OOP fundamentals
- Debugging & problem-solving

Social Media & Content

- Social Media Strategy & Community Management
- Content Creation (Graphics, Copy, Video)
- Paid Ads (Meta, Twitter/X, TikTok)
- Analytics & Reporting
- Scheduling Tools (Buffer, Hootsuite, Later)

WORK EXPERIENCE

Social Media Manager | *Lasustech Got Talent — Remote* 2023 – Present

- Increased Instagram followers by 80% through consistent, brand-aligned content strategy.
- Launched TikTok presence from scratch within the first year through trend-aligned video content.

Social Media Manager | *ICT Bootcamp 1.0, KWASU* March 2025 – Present

- Grew WhatsApp community from 0 to 1,000+ members using email marketing and reactive content.

Front-End Developer (Specialization Project Work) | *ALX Software Engineering Programme* Nov 2023 – Nov 2024

- Completed a 12-month, project-based Software Engineering programme, building full-stack foundations before specializing in Front-End Development.
- Built and debugged responsive web interfaces using HTML, CSS, and JavaScript as part of peer-reviewed, hands-on projects.
- Applied Git/GitHub for version control throughout collaborative, deadline-driven project sprints.
